THE PALESTINE ARAB DELEGATION

P.O. Box 1855
Grand Central Station
New York, N.Y. 10163

MR. PRESIDENT,

The United States of America and the Soviet Union should be condemned for creating the Palestine problem in 1947 from which the Middle East and the United Nations are still suffering until today. In 1947-48, they joined together and forced the General Assembly to adopt the plan to partition Palestine instead of the Federation plan which was submitted by the minority of UNSCOP. When the General Assembly was debating a trusteeship plan for Palestine, the Zionist international gang defied the United Nations and declared a so-called Jewish State. The United States recognized that illegal Zionist occupation de facto eleven minutes after its declaration on the 14th day of May, 1948, and the Soviet Union recognized it de jure on May 18, 1948. The Soviet Union supplied the Jewish gangsters in Palestine with several shipments of weapons through Czechoslovakia during 1948-49. The Soviet Union was told by Moshe Shertock--a Russian Jew--and his other Russian and Polish colleagues in the Russian language that the 'Jewish State' will be a Soviet Satellite in the Middle East, because the majority of the Jews in Palestine were Polish and Russian.

The United States and the Soviet Union forced the Security Council and the General Assembly, in contravention of United Nations Charter and international law, to admit the illegal Zionist Regime of occupation as a member of the United Nations. So-called Israel is not a state either in fact or in law, and is not a peace-loving nation because it is a regime of illegal occupation.

The Jewish minority consisting mainly of alien European Jews, illegal immigrants and Palestine born rebelled against the Palestine Arab indigenous majority, expelled over one million Palestinians, occupied 80 % of Palestine and usurped the homes and properties of Palestinians, thereby committing Genocide, War crimes and crimes against humanity.

The United States and the Soviet Union should be responsible for every drop of Arab and Jewish blood shed in

the Middle East since 1947.

The Soviet Union tried to atone for its crime by supplying, since 1955, some Arab countries, for their defense, weapons inferior to those supplied to the so-called Jewish State by Western European Powers and the United States. Although the Soviet Union declares its support for the Palestine Liberation Organization and the right of self-determination for the Palestinians, it still recognizes the illegal Zionist Regime and does not support any efforts to eliminate that illegal regime and restore Palestinian sovereignty.

The United States, who originally supported the creation of a so-called Jewish State, half-heartedly became since the 60's the biggest supplier of weapons and money to the illegal regime, making it militarily superior to its Arab neighbors and aiding it in its wars of aggression against Palestinians and the Arab states. The United States made itself responsible for the crime of Genocide, War crimes and crimes against humanity committed by this illegal Zionist Regime. Had it not been for the military, financial and political support of the United States, this illegal Zionist Regime would not be existing or able to commit these crimes and keep the Middle East in such a tragic tension. In 1983-84, the United States entered into a strategic alliance agreement with the illegal Zionist Regime.

Therefore, Mr. President, when the General Assembly condemns Israel in the resolutions which will be adopted in this session, the United States should also be condemned. The General Assembly must take notice of the fact that the overwhelming majority of its members vote in support of the right of self-determination of the Palestinians, and that the United States and so-called Israel cast the two votes every year against these resolutions.

The United States of America is also the obstacle for making any general peace settlement in the area. It refuses to recognize the Palestine Liberation Organization, the representative of the Palestinian people, and wishes to usurp the role of the sole mediator in the Middle East problem, so that any settlement will not be in accordance with international law and justice, but a settlement which guarantees the existence of the illegal Zionist Regime and its Colonial conquests in the area. The example of such a settlement was forced upon the late President Sadat in Camp David, and thereafter, the Egyptian--so-called Israel--peace treaty was achieved under duress and undue influence, and therefore, is null and void abinitio.

The irresponsible behavior of the United States in the United Nations is displayed by the conduct of its mission

in the World Organization. Ambassador Jeane Kirkpatrick has closed her mind to morality and justice in the Palestine problem, and she can only see the Jewish point of view. She has been more extreme than the Department of State in defending Jewish interests because she is obliged to Jewish influence in putting her in this position. Her article in Commentary Magazine and her relationship with its editor and other Jewish leaders brought her to the notice of President Reagan, and through Jewish influence, she was appointed as Ambassador in the United Nations. Mrs. Kirkpatrick has changed from a dignified scholar into a cheap politician who sold her soul for Jewish influence and, therefore, she is unable to see the justice of the Palestine struggle for liberty and self-determination. Ambassador Kirkpatrick has exceeded all bounds by joining recently (November 20, 1984) in a sham Middle East Symposium with the counterfeit Ambassador representing the illegal Zionist Regime. The said Middle East Symposium was a public meeting of Jews sponsored by the yellow sensational paper, The New York Post. Ambassador Kirkpatrick praised so-called Israel "for confronting and defeating terrorist attacks." She supported the position of so-called Israel on all issues, including the establishment of Jewish settlements in the West Bank and Gaza in contravention of international law. Ambassador Kirkpatrick is doing all this in order to obtain Jewish support for fulfilling her ambition of becoming Secretary of State. During the last month, the Jewish Lobby in Washington have been working on her behalf, and she has telephoned at least 50 persons in Washington pleading for their support. The Jewish Controlled Press, which can be described in the words of Senator Jesse Helms as "shoddy, biased and intellectually dishonest" such as the Wall Street Journal, is making a big case for her appointment next to the seat of power. It is not surprising that the discredited Wall Street Journal which, since it was bought by Dow Jones, has become a cheap vehicle for Zionist propaganda. The Wall Street Journal is no longer that conservative serious newspaper serving the most important reference to the business community. It has become a Zionist publication. It supported the Zionist invasion of Lebanon. It supported the wars of the terrorist war criminal Menachem Begin, the terrorist war criminal Yitshak Shamir, the terrorist war criminal Ariel Sharon, the terrorist war criminal Ralph Eitan and their colleagues. It approved the crimes of Genocide they have committed. The Wall Street Journal and other Jewish-controlled newspapers deceive the American public by magnifying the role played by Ambassador Kirkpatrick in the United Nations in service of the United States. The contrary is the truth. Ambassador Kirkpatrick won more enemies to the United States with her abrasive manner and irresponsible behavior towards third-world countries, and Arab and Muslim nations in particular. The United States mission under her control and

her Jewish advisors was using every means to harass Arab and Muslim missions. The scandalous restrictions imposed on the distinguished Foreign Minister of Libya Dr. Ali A. Treiki when he was head of the Libyan mission regarding the use of the house in Englewood, New Jersey, are examples of the irresponsible conduct of Ambassador Kirkpatrick in the United Nations. Later on, Ambassador Kirkpatrick joined her friend, the loud-mouth, irresponsible and impertinent Mayor of New York, Ed Koch, in impeding for two weeks, for harassment only, the occupation by the United Nations Libyan mission of its new offices at East 48 Street. Ed Koch persistently defames the United Nations and United Nations missions in such a vile language befitting only the Jewish Ghettos of Poland from which he and his family came. No wonder that Mr. Koch made a speech in that sham Middle East Symposium and proclaimed to the "exceptional" Ambassador Jeane Kirkpatrick, "We won't let you go." He stated, "Whatever it takes for you and the President to find an appropriate position for you--it shouldn't be higher than the President, but nevertheless it shouldn't be lower, we will find a way." This haughty, cheap, Jewish politician has come to think of himself as a King-maker. We greatly pity the United States and its foreign relations if they are conducted by people chosen by Mayor Koch and by people of the caliber of the "exceptional" ambassador.

Mr. President,

The illegal Zionist Regime in occupied Palestine has made a great contribution to the United Nations by sending, as its representative, the "genius" Benjamin Netanyahu. Benjamin Netanyahu is of Polish origin. His Polish father and mother came to Palestine as illegal immigrants and he was born in Palestine. He and his brother, Jonathan, while serving in the Jewish Army, were well known for their brutality and for committing crimes against Palestinians in the West Bank and Gaza and against Palestinians and Lebanese in Lebanon. He is the protege of the Facist Moshe Arens and follows his steps in his Facist and racist ideas. That is the reason why he was chosen as representative in the United Nations. He distinguished himself by his racist ideas of apartheid as published in the Jewish Controlled Press, such as the Wall Street Journal, by advocating the deprivation of the Palestinian Arabs in the West Bank and Gaza of their right to self-determination, and that they should be permanently doomed to Jewish occupation and enslavement. What is the difference between a Palestinian Jew who advocates and upholds a policy of apartheid towards Palestinian Arabs and a White South African who practices apartheid against Black Africans?

The "genius" Benjamin Netanyahu was credited for organizing the conference against terrorism in Jerusalem a

few years ago and a similar conference this year in Washington. The motive of these conferences was to portray Arabs and Muslims as terrorists and cover up for Jewish terrorism and Genocide, which have been committed since 1947. But how could the World forget the terrorism and crimes of Menachem Begin, Yitshak Shamir, Ariel Sharon and other military and political leaders of the illegal Zionist Regime in occupied Palestine, which have been committed and are still being committed against the Palestinian Arabs until today?

The new "genius" counterfeit Ambassador Benjamin Netanyahu representing the illegal Zionist Regime in Palestine has copied all the arguments of his discredited predecessors in the United Nations, and is making long speeches in the General Assembly to misrepresent the facts of the Middle East problem and the Palestine problem. In his speech to the General Assembly on the 26th day of last month, the "genius" Mr. Netanyahu submitted the argument that the existence of the illegal Zionist Regime in occupied Palestine is not the cause of the Middle East wars, unrest and trouble. He enumerated differences and struggles between different Arab states to prove that this Arab struggle is the reason for the unrest, and therefore, the existence of the illegal Zionist Regime has no bearing on the issue. How could such an intelligent young man make such stupid statements in the General Assembly of the United Nations! Every delegate in that Assembly knows the true facts of this problem. They know that the European Jews invaded Palestine and expelled its people. They committed Genocide against the Palestinians, reducing them into a refugee nation. The European Jews deprived Palestinians of their right to property, to the right to homeland, to the right to live in freedom and dignity in their ancestral homelands. What the Jews are doing now to the Palestinians in occupied Palestine, so-called Israel, is exactly what South Africa is doing to the native Black population, namely, the crime of apartheid. What the Jews are doing to the Palestinians in the West Bank and Gaza are exactly what the Nazis did to the Jews and others in Europe. These Jewish crimes are War crimes similar to the crimes for which Nazi leaders were tried, convicted and hanged. Other Nazi War criminals are still being tried for war crimes until today.

In August, 1983, the Arab Higher Committee for Palestine submitted to the United Nations AN INDICTMENT OF ISRAELI POLITICAL AND MILITARY LEADERS FOR GENOCIDE, CRIMES AGAINST HUMANITY AND WAR CRIMES AGAINST THE PALESTINIANS IN THE WEST BANK AND GAZA. That indictment covers the following crimes:

1. Inhuman Treatment and Abasement of Arabs
2. Brutality of Israeli Soldiers and Police
Against The Palestinian Civilian Population
3. Attacks by Jewish Settlers on Palestinians
in the West Bank and Gaza

4. Torture of Palestinian Detainees and Prisoners
5. Usurpation of Palestinian Lands
6. Demolition of Houses
7. Attacks by Israeli Soldiers on Palestine Universities and Schools
8. Economic Destruction of Palestinians in the West Bank and Gaza
9. Persecution and Cultural Destruction of Palestinians
10. Aggression Against and Desecration of Christian and Muslim Holy Places
11. Persecution of Palestinian Newspapers and Palestinian Journalists
12. Expulsion of Palestinian Leaders
13. Establishment of Jewish Settlements in the Occupied Areas in Contravention of International Law
14. Transferring Jewish Settlers to the Occupied Areas in Contravention of International Law

The facts constituting these crimes are being testified to, and proved, by the Annual Reports of the Special Committee to Investigate Israeli practices affecting the human rights of the population of the occupied territory, the latest of which A/39/591 dated October 29, 1984, is being discussed by the Special Political Committee in this session.

The facts submitted in that indictment prove beyond a shadow of doubt that the so-called Israeli political and military leaders are guilty of Crimes against peace, War crimes, and Crimes against humanity as defined in Article 6 of the Charter of the International Military Tribunal, reaffirmed by the United Nations General Assembly through the unanimous adoption of Resolutions 95(I) on December 11, 1946. The so-called Israeli leaders are guilty of the Crime of Genocide and are punishable for that crime as defined by the United Nations General Assembly resolution 260A (III) unanimously adopted on December 9, 1948.

In spite of these facts, Mr. President, the "genius" counterfeit ambassador of the illegal Zionist Regime wants the whole world to forget these crimes. He is shamelessly advocating that the Western World should unite to fight Arab terrorism when he knows that the leaders of the Zionist gang, which he represents, is composed of terrorists and war criminals.

If the Western World is to unite to fight terrorism, Western Governments must uphold justice and help in terminating

Jewish terrorism, Jewish War crimes and Genocide against the Palestinians.

At the present, there is a sham trial of 20 Jewish criminals, who placed bombs which injured and maimed the Mayors of Nablus and Ramallah and killed many Palestinians in the West Bank and Gaza. Even the discredited, facist "Jewish Press" of Brooklyn, published in its Issue of September 27, 1984, a big title "Defense Claims Government Supported 20 Suspects." According to information from authentic sources in Jerusalem, the defense lawyers of these 20 criminals have affidavits that Menachem Begin, Ariel Sharon and Ralph Eitan authorized these Jewish gangs to commit the crimes against the Palestinians.

Mr. President,

The United Nations has been debating the Palestine problem since 1947 and may still be debating this problem for many years to come, as long as the United States of America refuses to uphold justice and international law and continues to underwrite this illegal Zionist Regime in Palestine, thereby defying the will of the international community for finding a solution based on international law and justice. We, therefore, humbly implore this General Assembly to take effective measures which may lead to a just solution. The United Nations has been adopting resolutions in the General Assembly and Security Council which remain but ink on paper. The Security Council cannot take any effective measures as long as the United States of America uses its veto to kill every resolution, however mild it may be, which condemns or blames Israel. We, therefore, wish to submit the following plan:

1. The General Assembly should adopt a resolution requesting an opinion from the International Court of Justice on the following issues:
 - a) What is the effect of United Nations resolutions on Palestine since 1947 until today?
 - b) Is conquest by war and aggression valid, and can the aggressor acquire sovereign rights in the occupied territory?
 - c) Can the occupant of a territory by force alter the existing conditions of that territory, expel its population, usurp and confiscate their lands and properties?
 - d) Is so-called Israel a state in law or in fact?
 - e) Was the admission of so-called Israel in the United Nations valid under international law?
 - f) What are the rights of Palestinians in Palestine? Are they entitled to self-

- determination and independence in the whole of the territory of Palestine?
- g) Do the measures taken by so-called Israel in the West Bank and Gaza by establishing settlements, usurping Arab lands, persecuting the Palestinians, destroying their economic, political and cultural position in their homeland, constitute the crime of Genocide?

After the International Court of Justice delivers its opinion, the General Assembly and the Security Council should discuss the Palestine problem in the light of that opinion in order to find a just and a permanent solution in accordance with the United Nations charter and the principles of international law and justice.
